Dear Sirs:

Applicant respectfully petitions to withdraw this application from issue pursuant to 37 CFR 1.313(c)(2). The issue fee has already been paid for this case. Applicant has received a European search report dated February 16, 2004 for European Application No. 01912170.6, which appears to be related to the same priority Japanese application as U.S. Serial No. 09/805,382. Applicant would like to submit the search report and art in an Information Disclosure Statement (IDS) for consideration by the Examiner. Applicant is filing this Petition together with a Request for Continued Examination (RCE), a Form PTO-1449 listing the European search report and art cited therein, an IDS Transmittal, and copies of the European search report and art.

Applicant has included a check for \$130 for the Petition fee as set forth in 37 CFR 1.17(h) and a check for \$770 for the RCE fee. It is believed that no other fees are due for consideration of this paper and attachments. If, however, any additional fees are due for consideration of this paper and attachments, please charge the fee (or credit any overpayment) to Deposit Account No. 50-0585.

Respectfully submitted,
